Welcome to Signal Pen collection, the home of promotional pens, pencils and general writing instruments. It is designed to be an inspirational source to help you make the correct selection for your next advertising campaign. If you're looking for promotional products you've come to the right place. We promise to make ordering quick and easy, and we're sure you'll save money.

Quality, Price and Great service is to be expected in today's competitive market but we would not wish to be defined by these basic prerequisites alone. Maturity has taught us that doing business should be pleasurable in all respects. Pleasurable for our customers, for our dedicated staff and also for our suppliers. We see everything as a partnership and regard the hours we spend at work as a very relevant component of life's experience and we hope this approach is reflected in the way we do business.

Tonglu Signal Pen Company is located in Tonglu county, it is famous as the pen producing base of China. belong to Hangzhou City, the company General Manager, Mr. Randy worked on pen business from year 2006, after that he established his own new company SIGNAL. PEN on 2014 Jan 16th, based on family factories. we have almost 20 years production experience and we also can source for you other promotional gifts. we will always do our best to be your one-stop shop for everything about promotional pen, highlighters, gift box and a variety of gift sets for domestic and foreign trade.

And we also have a strong design-team, be filled with passion, who can design the style and package according to your requirement. We have a set of quality management and environment system, our development team guarantee our product quality and product upgrading effectively. Our fashionable and high-quality products sell very well all over the country, as well as in Europe, Southeast Asia and the United States, South America. We are continuously seeking high-quality products for our customers and for the market. We stick to the idea of "innovation and development" as our tenet and are committed to the development of China's pen industry.

quality, services, and good faith.  
efficiency, innovation and teamwork.  
customer satisfaction, and pleasant business cooperation.
